General terms for online booking and sale service Palermo Airport "Falcone Borsellino"

Services you can buy online

Parking and Fast Track.

The terms applicable to each service are specified in the following paragraphs.

Parking

The online purchase offers convenient rates compared to the standard one, applied for a period of stay from a minimum of 12 hours up to a maximum of 180 days.

Instructions for online purchase.

- Enter the parking booking system via Palermo Airport website - www.gesap.it
- Identify the parking period in order to calculate the parking cost and proceed with the purchase.
- At the end of the purchase, an email containing the purchase details and the PIN code to access the car park will be sent to the address indicated.
- Print the email or otherwise keep the PIN code

The PIN code is essential to enter the parking lot.

Validity of the purchase.

You cannot book parking for less than 12 hours and more than 31 consecutive days ; for longer periods users can directly email the “Servizio di gestione parcheggi” at parcheggi@gesap.it.

The purchase can be made from a maximum of 180 days to a minimum of 24 hours before the date and time of entrance and can be changed for free no later than 24 hours before the time of entrance into the parking indicated in the reservation. During the period of validity of the purchased parking period, the customer can enter and exit the car parking at any time, for a single time. Please note that if the exit from the car parking takes place earlier than the one indicated in the reservation, the customer will not be entitled to any refund for the period of non-use of the parking lot. Orders can be modified only 24 hours after the payment date (this limit is imposed by the banking system).

Early entrance

It is possible to enter the parking lot with an advance of 30 minutes compared to the date and time given at the time of booking.

Postponed exit

It is possible to exit the car park up to one hour after the date and time given at the time of booking, with the same ticket. For every hour or fraction exceeding the booking, included one hour range for exit, the standard rate in force at that moment in the parking you are using will be applied. The present clause applies in every case of exit postponed from the parking, regardless of the reason that caused it.

General rules

The standard rates and regulations are displayed at the entrance of each parking lot and available on Palermo Airport website -www.gesap.it. In the case of tariff promotions for parking before the entry into force of the promotional rate, the cost is calculated based on the rates in force at the time of entrance into the car parking.

Validity of the rules

In case of change of these conditions after making the booking and before the date of exit provided for by the parking, our customers will be promptly notified via email.

FastTrack

Purchasing the FastTrack service allows priority access to security checks through dedicated gates. FastTrack is transferable from the Customer to another subject.

FastTrack is valid for 6 (six) months from the date of purchase.

Access to FastTrack is valid only together with a valid boarding pass.

Before the Order is forwarded, the Customer must carefully read the FastTrack usage rules on Palermo Airport website -[http: //www.gesap.it/aeroporto/servizi/fasttrack/](http://www.gesap.it/aeroporto/servizi/fasttrack/).

Instructions for online purchase.

- Enter FastTrack purchase system through Palermo Airport website www.gesap.it
- Specify the quantity in order to calculate the total cost and proceed with the purchase
- At the end of the purchase, an e-mail containing the barcode to access FastTrack will be sent to the address indicated
- Confirmation of purchase in electronic or paper format must be shown to be read at the FastTrack gate
